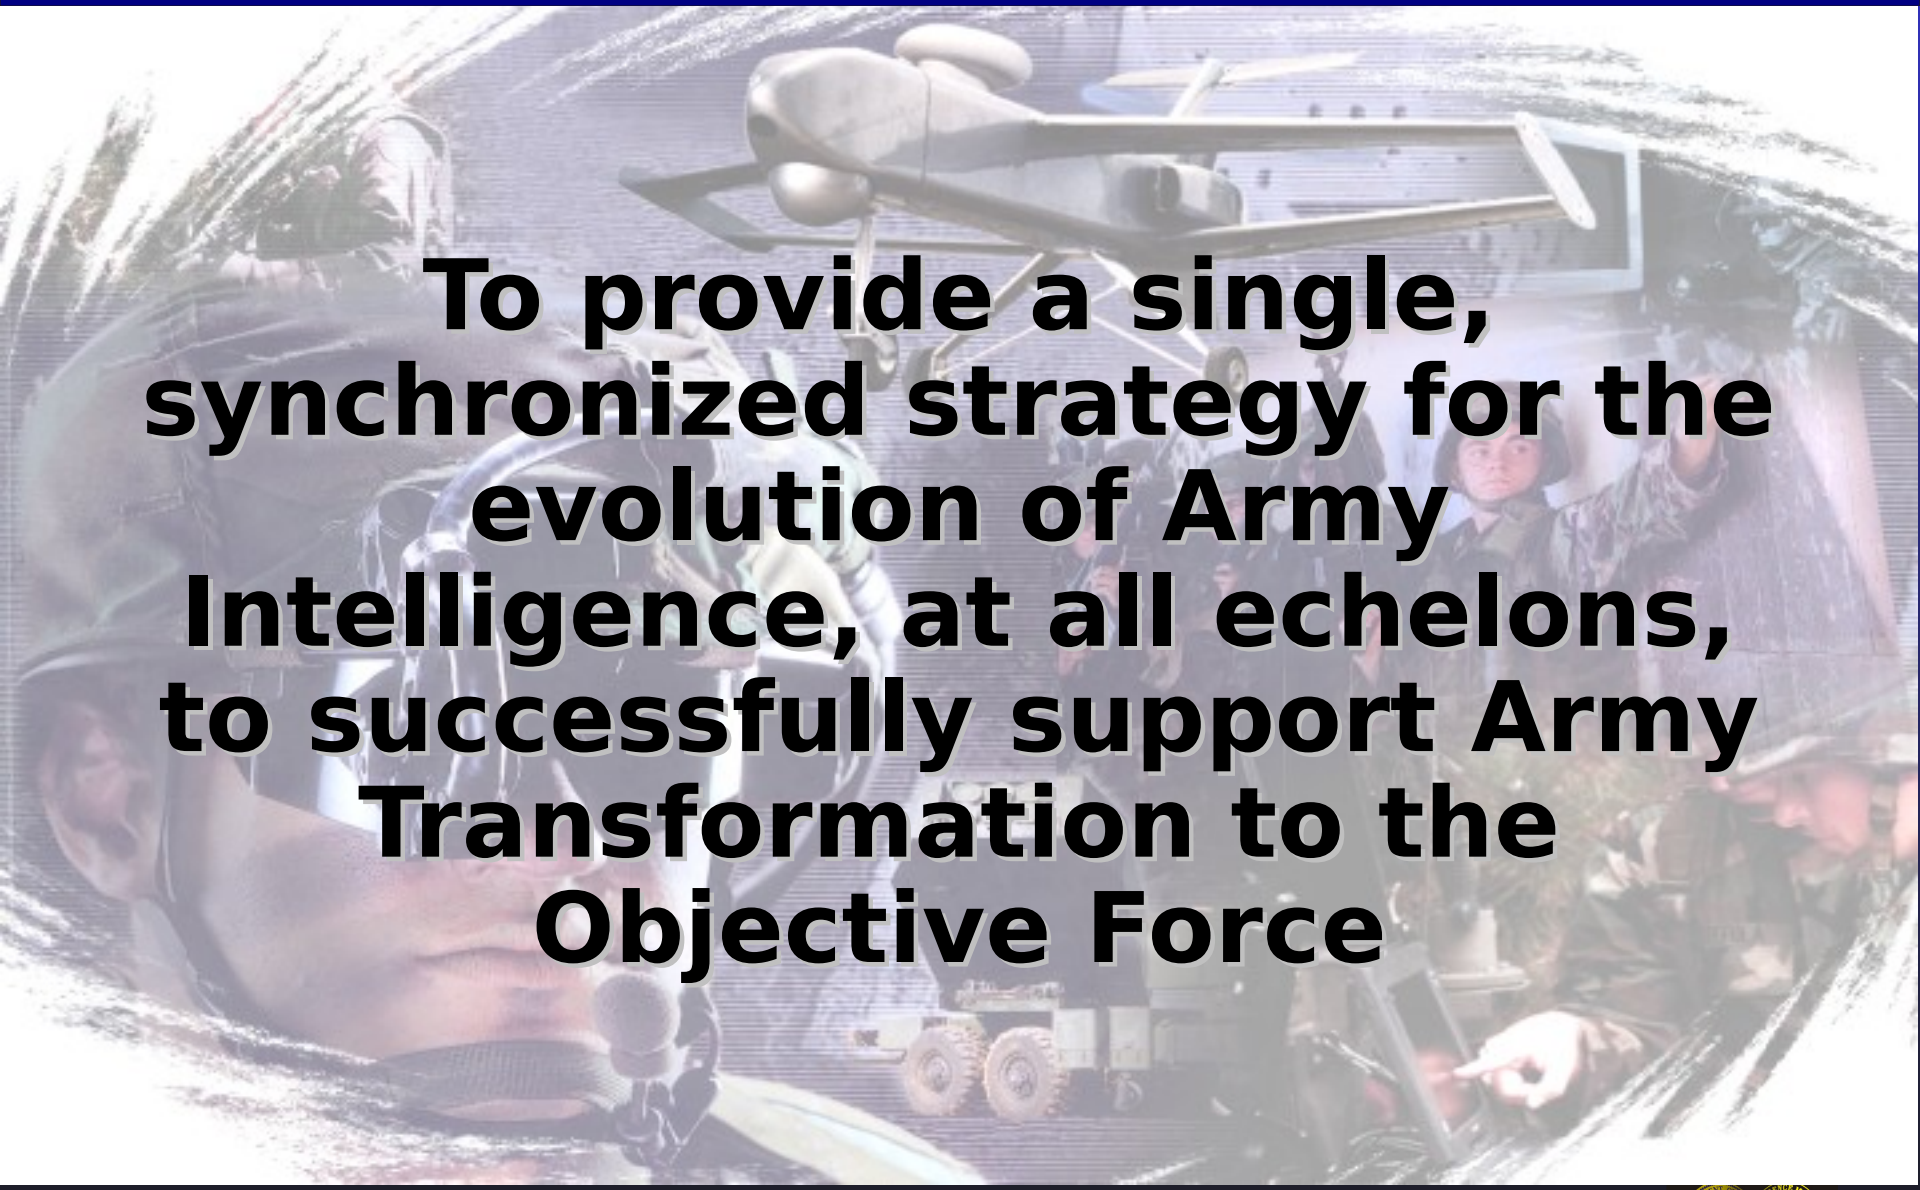
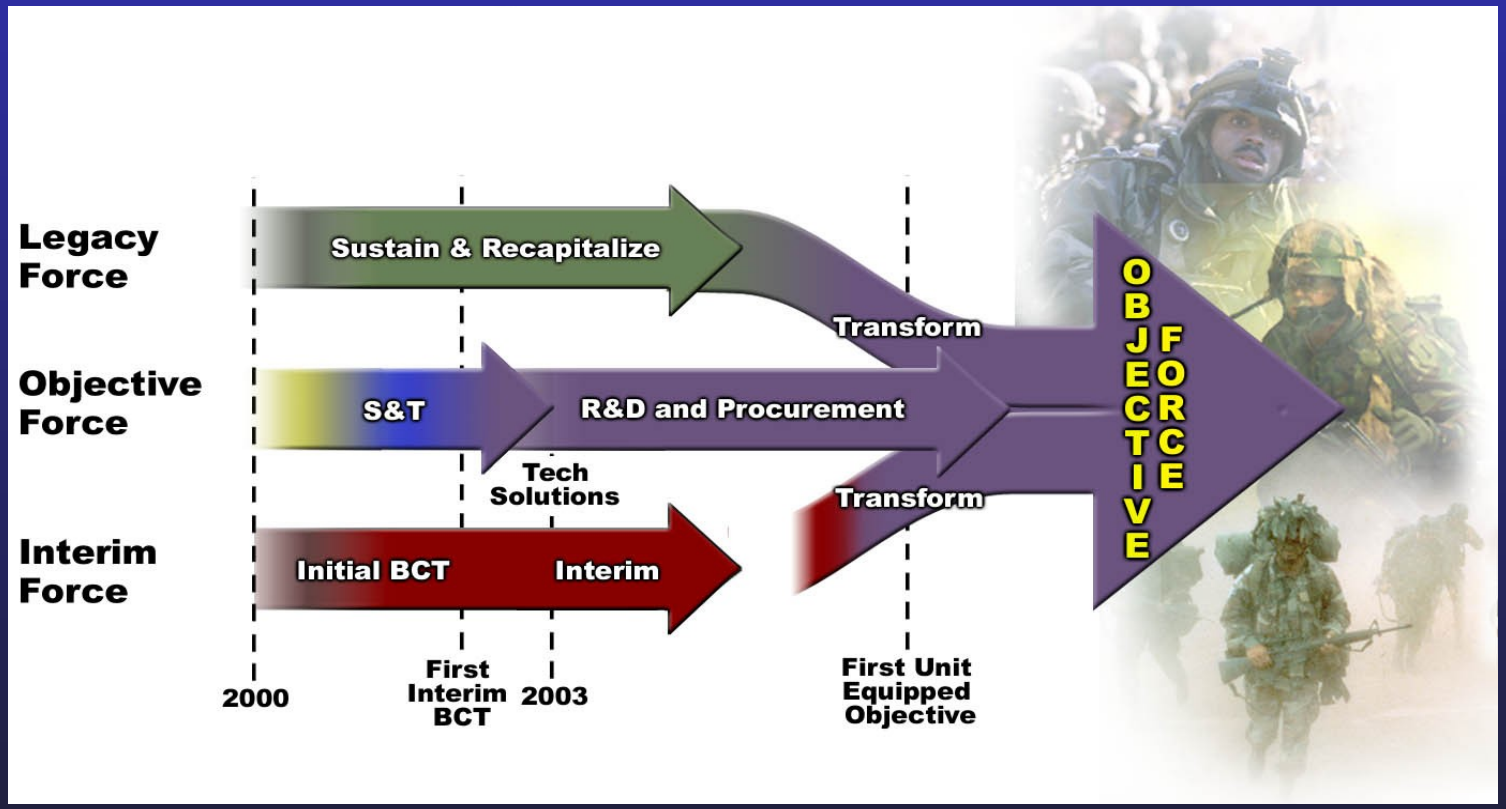
AIMP Mission



To provide a single, synchronized strategy for the evolution of Army Intelligence, at all echelons, to successfully support Army Transformation to the Objective Force

AIMP Focus

Develop, integrate and maintain the Army Intelligence Transformation Campaign Plan



"A newly invigorated AIMP is central to codifying our transformation efforts" DA DCSINT's Message to the Field 8 November 2000

Intelligence Transforms In Synch with the Army

AIMP History

- **Created in 1986 by the Assistant Chief-of-Staff for Intel (ACSI)**

1986 IEW/TA Task Force	DCSOPS / DCSINT / TRADOC
1988 Master Plan	DCSINT
Modernization Plan	DCSOPS
1990 Master Plan	USAICS
Modernization Plan	DCSOPS
Coord and ADP support	DCSINT

Series of chapters and analytical tools

- **Contract**
  - 9 Tasks
  - 1 Year contract, 4 renewable optic
- **Current**
  - LOGICON – Federal Systems Group (Prime)
  - J B & A, Inc.
  - MANTECH
  - Electronic Warfare Associates
  - Booz-Allen & Hamilton

A single, coherent strategy for the planned evolution of Army Intelligence, Electronic Warfare and Target Acquisition systems and organizations at all echelons to a clearly defined future objective.

The AIMP Charter

AIMP: The "Glueware"

DA DCSINT
- MI Vision
- Army Intel TCP
- Architecture Assessment
- Cross Program & Budget Analysis (MI²S, NI²S)
- Study Topics

USAIC
- C4ISR Mod Plan
- Concepts
- DTLOMS impacts
- Objective Architectures
- Requirements Development
- Proponent Validations
- Study Topics
- Integrated Concept Teams, Integrated Process Teams

...Into the Future

DA DCSPRO/DCSOPS
- IEW Annex to AMP
- TIARA Fielding Plan
- Requirements Prioritization Process
- Study Topics
- Cross Program and Budget Analysis (FDI²S)
- Organization and Force Structure Analysis

- Army Intel TCP
- QDR
- Decision Support Tools
- Chapters
- Analysis Assessment Tool
- Studies
- TAA/FAA
- PPBS/CJB/CBJB
- CPBS (NFIP)

INSCOM
- Architectures Input
- I²S Input to MI²S Build
- Study Topics

Legend

FDI²S - Force Development Investment Information System

I²S - INSCOM Intelligence Investment Strategy

MI²S - Military Intelligence Investment Strategy

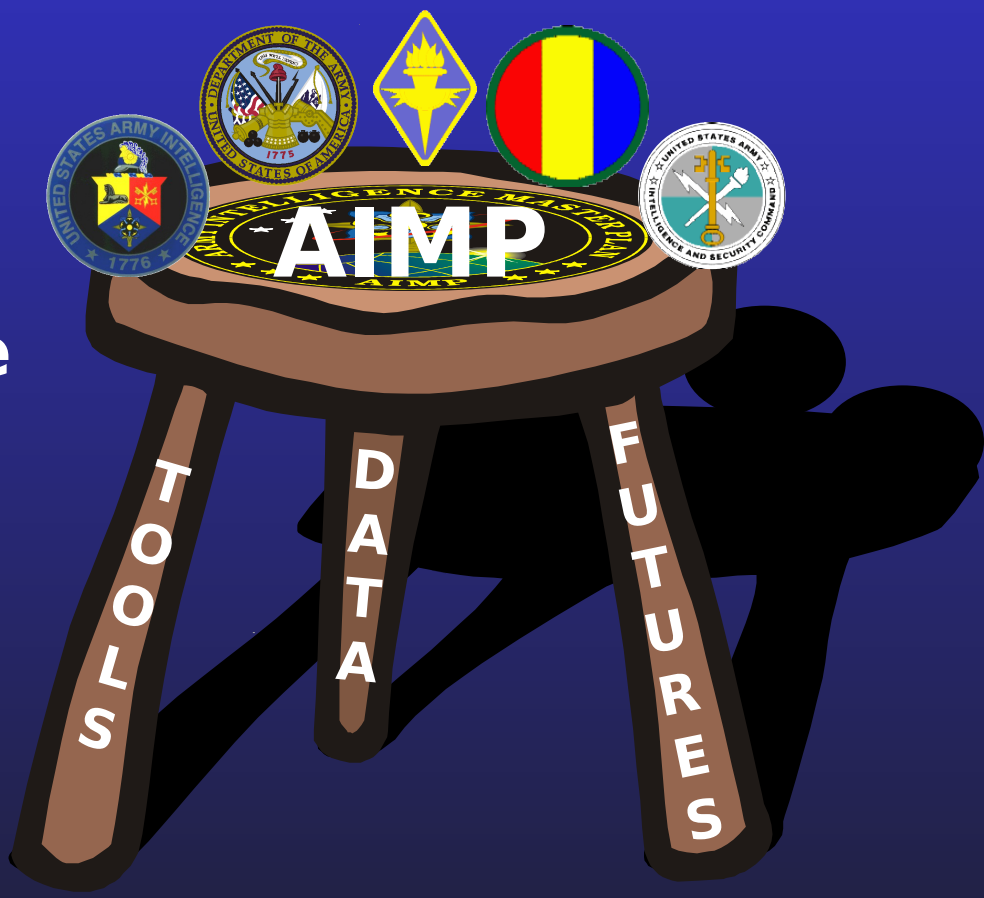
NI²S - NFIP/S&IA Intelligence Investment Strategy

Behind the Scenes

AIMP: The Bottom Line

The AIMP…

- **Maintains data**
- **Develops knowledge**
- **Facilitates discussion**
- **Fosters synchronization**
- **Provides continuity**



…enables Army Intelligence Trans
